## **Infant Development Consultant**

### **POSITION SUMMARY**

The Infant Development Consultant provides home-based early intervention services for families of infants and toddlers, birth to three years, who have a diagnosed disability, a developmental delay, or who are at risk for a developmental delay. The Consultant will administer developmental assessments; write reports, and providing appropriate developmental goals and activities within the family setting. This is a permanent full-time position, 35 hours per week.

### **QUALIFICATIONS**

The applicant should have a degree in a discipline related to early childhood development; demonstrated practical experience working with infants with developmental delays, their families and other professionals; knowledge in principles of family centred care and a solid understanding of infant/toddler growth and development; excellent verbal and written communication skills are essential. Must be able to work independently, as well as part of a self-directed team. Valid driver's license and reliable vehicle required for work.

This is a collective bargaining unit position and open to both female and male applicants.
